**FAQ**

**What can my group choose to buy?**
Anything on this document is available for purchase (stock permitting), but we ask that you narrow your choices down to **three items per school term**. For example, you can order one garment in three different colours, or you can pick three different garments.

**How do you determine final costs?**
Pricing may differ from this document depending on your artwork and your quantities. Any setup fees are included in the pricing (but additional imprints will incur added setup fees). There are extra fees for custom names or numbers, as well as for ink colour changes. There is a strict **minimum order of 15 pieces**, for each garment, and each design.

**What if I want something you haven’t listed here? What if I want extra prints or embroidery?**
Let us know what you’re interested in, and we’ll see if we carry it! You’re welcome to add more imprints — it will just increase your costs. **We do not offer Nike products**; if your group is affiliated with Athletics & Recreation, you’ll need to find out how to source Nike from them.

**How do I put together my order?**
After discussing the details with us at Crested, we’ll ask that you confirm your garment and colour selections. We’ll provide mockups, size charts, and an order form for your group to fill out (please do not create your own form). Once we receive your completed order form, we’ll take a 50% deposit to secure your order. Someone from your group will come to the Campus Store in Gilmour Hall to pay for the deposit using debit or credit (we cannot take individual payments from each group member). If the order is being paid for with a departmental MOSAIC account, we’ll need that account information (including an employee ID number) to secure the order.

Then we’ll order in the garments and get them decorated for you! The process takes 3–4 weeks, and we’ll send you an e-mail once everything is here. After we settle up the remaining 50% payment, you can either pick up the boxes from the Crested office, or we can have them sent to another office or room on campus!

**We can host your sale online!**
If you’d rather skip taking everyone’s orders, filling out the order form, collecting the payments, organizing each order, and handing out all the clothing ... we can put your apparel on the Campus Store website, and handle it all for you! Ask us for more details!

**More questions?** Shoot us an e-mail at crested@mcmaster.ca.

**How do I raise money for my group?**
Clothing is great for fundraisers! If you want to make a profit for your team or club, you can set your own prices for each item, and keep the difference. Fundraising is not currently available for online sales hosted on the Campus Store website, but we can help you make a flyer to advertise the sale.
